

Incorrect Termination on April 2017 L2 form

Hi all,

I am following up on an April 2017 L2 – Lobbyist Monthly Expense Report form I filed on behalf of Benita Hyder earlier this month. On the form, I mistakenly filled out Box 14 "Termination" indicating that Benita would be terminating her registration as a lobbyist effective 4/30/17.

This is incorrect. Benita will be keeping her Lobbyist Registration active and may be lobbying for OPEIU Local 8 in the future. OPEIU Local 8 will continue to file monthly L2 reports on her behalf.

Can you please keep Benita Hyder's Lobbyist Registration active, or reactivate it if it has already been terminated?

Let me know if you need anything.

Thank you.

Thanks,
